OFFERING THE BREADTH OF A GLOBAL SUPPLY CHAIN WITH LOCALISED SECURITY

QUALITY & DISTRIBUTION

Our UK & Ireland distribution centres are certified to AA-grade BRC Storage & Distribution and Agents & Brokers standards. On-site technical teams evaluate all ingredients to provide enhanced product quality assurance and first-hand support.

All of our global supply partners undergo a rigorous approval process to ensure only the highest standards at every step in the supply chain.

Available for third-party storage including drumming and refilling services, talk to our team today about our award-winning warehousing and distribution services.

Technical support available for product development, matching and swapping of products, quality or regulatory

EMSLAND GROUP®
using nature to create

Proud partners of Emsland Group

Our UK joint venture partners are market leaders in the processing of potatoes for starch, flakes and granules. Based in Germany, they are owned and supplied by a cooperative of local farmers, ensuring a vertically-intergrated supply chain with a focus on sustainability.
