About PureSea® Protect

PureSea Protect is a unique, new and innovative ingredient for the ultimate delivery of the gold-standard seaweed - ensuring you have all the benefits, without the strong flavour or aroma of the sea. PureSea is a powerhouse of natural nutrition, offering six EFSA-approved health claims.

Key Application Areas

Meat & Seafood

Sports Nutrition

Beverages

Soups & Sauces

Savoury Snacks

Cheese

What Makes It Different?

The seaweed flavour & aroma are locked away by a coating of plant-based protein, protecting your finished products by ensuring minimal flavour impact of this neutral coloured powder. The protein coating ensures key nutrients are protected during processing and digestion.

PURESEA® PROTECT

Gold-standard seaweed ingredients from Seaweed & Co. Sustainably sourced from the Scottish Outer Hebrides.
